The Newsletter of  
Calvary Episcopal Church  
Pittsburgh, Pennsylvania

NOVEMBER 14, 2021

Dear People of Calvary,

With profound gratitude, I want to let you know that the time has come for me to retire from Calvary Episcopal Church. For the past thirty years or so, you have given me the extraordinary gift of serving Christ alongside you in this parish. Very few clergy have the privilege of being in one place long enough to see both the congregation and generations of people grow in faith. Your generous welcome made this possible. In the company of the Rev. Arthur McNulty, the Rev. Pam Foster, the Rev. Dr. Harold Lewis, the Rev. Jonathon Jensen, and all of the wonderful staff and lay leaders at Calvary, it has meant more that I can ever express to work and to worship with you.

Each of you is an inspiration, as you live out your lives and your vocation in the world. Your spiritual depth is evident in your individual work, in your joys and sorrows, in days that are dark and in times that are bright, in your countless contributions to the life of your community, in your faithful and tireless efforts at Calvary, in your prayer and service. Your faith journeys and stories have become part of me, and I will carry you close in my heart.

The congregation of Calvary Church is exceptionally strong and steadfast. Calvary's witness to the wideness of God's mercy continues to draw people into communion with one another and with Christ. Calvary's fearless willingness to proclaim the Gospel with open hearts, open minds, and open hands makes an indelible mark. Calvary's commitment to loving God and loving our neighbors is unquenchable. I will continue to pray for Calvary's ministry of offering God's unconditional love, incarnate in Jesus, to the world.

Sheldon Calvary Camp was established by Calvary Church in 1936. I am indebted to Calvary Church for sustaining the connection to camp and for freeing me each summer to minister in that holy place. It will not come as a great surprise to you that I plan to continue that work. Please keep bringing your children and grandchildren!

Calvary Church is my parish community. Jonathon has graciously made it clear that I will be welcome back to serve from time to time following my retirement. I appreciate his kindness and generosity, while at the same time anticipating the chance to rest.

Sunday, February 27, 2022 will be my official final Sunday at Calvary. I look forward to being with you to say farewell and to celebrate the goodness and grace of our time together.

Peace,

*Leslie*

## From the Rector

Please join me in giving thanks for the Rev. Leslie Reimer and the deep ministry and relationships she has created and cultivated at Calvary Church, Calvary Camp, and beyond.

Leslie has served at Calvary Church in some capacity almost 30 years first part-time, then full-time as Assistant Rector for Pastoral Care, then Associate Rector, then Senior Associate Rector. She has graced us with her skill, passion, and presence in pastoral care, preaching, teaching, leading worship, and her gentle but strong way, like Jesus, of being a person of faith and a priest. She will be dearly missed by all whose lives she has touched.

On a personal note, I will be bidding farewell to a wonderful colleague. Leslie and I share a mentor (David Bird) from New Kensington. I heard stories about the famous “Les” since seminary in 1994 but had never met until I interviewed to be Rector of Calvary. I am sad to see her retire but proud to have served with her and am a better person and priest for it. Leslie is a treasure and one of my best friends.

At her request, Leslie’s last official Sunday at Calvary will be February 27, 2022. On that date after the 11 o’clock service, we will offer a festive reception in her honor. All are welcome to join us. More information about this event will be forthcoming. Leslie will be our preacher this year for Christmas Eve and on her final Sunday.

A custom in the Episcopal Church is to offer a purse (financial gift) to a departing priest, particularly when one has made such a significant impact as Leslie has. If you would like to donate to the purse, please make a check to Calvary Church with a note “Leslie Purse.” The gift will be presented to her on February 27th.

When Leslie is ready after a time of extended rest, she is welcome and invited to be a part of the life of Calvary as often and as much as she wants. She will be welcome to preach, teach, offer pastoral care, lead worship, or participate in any way including simply sitting in a pew. All of this will be at her discretion. While she is always welcome, we must also always remember she is retired and honor that.

Please join me in deep gratitude for the ministry of the Rev. Leslie Reimer.

The Rev. David Bird, The Rev. Leslie Reimer, The Rev. Jonathon Jensen

### VESTRY MINUTES

One of the very helpful suggestions that emerged from our recent “Listening Session” was to make the minutes from Vestry meetings more easily accessible. To that end, there is now a tab under “News” on the Calvary website for Vestry minutes, and minutes going back to those from May 2017 have been posted. Going forward, minutes shall be posted once they have been approved by the Vestry, which typically happens at the next meeting (thus, October minutes are approved in November). You may follow this link to find the posts at <https://www.calvarypgh.org/vestry>.

As always, please direct any questions about the minutes to me at [sarahw@scw52.com](mailto:sarahw@scw52.com). Thank you, and happy reading!

**East End Cooperative Ministry**  
**2021 Holiday**  
**“Berry” Program**  
**starts November 14**

This Christmas season, Calvary has committed to helping 75 participants in EECM’s community programs. Each participant has requested three items: something they **need**, something they **want**, and a **book** or **calendar**. These requests have been coded onto the individual berries that will be posted in the Parish Hall. These gifts relieve the financial burden on many East End families at Christmas and brighten their holidays.

Calvary has been a strong supporter of this program in the past and we request your help again this year. Full details are available on the Calvary website - [www.calvarypgh.org](http://www.calvarypgh.org). ■

## Status Report from the Treasurer

At its October 25, 2021 meeting, the Vestry approved the Treasurer's Report for the nine months ended September 30, 2021. Even though we are showing a deficit at the end of September, there is some very good news to report on the financial front, considering the fact that we are still in pandemic mode. Pledge Income received is an excellent 99% of the budgeted amount for the first nine months of the year. Also, monies received from Gifts & Grants for Operations total \$37,000 at the end of September. There is also good news in the fact that our actual Operations Fund expenses are \$44,600 less than the budgeted amount for the first nine months of the year. Because 2020 Operations Fund results reflected income over expenses, the Vestry included in the income portion of the 2021 budget a carry-over amount of \$43,900, as shown below. Also shown below is the \$25,000 PCCD E-Grant from the State of Pennsylvania. It has been used exclusively to improve security both inside and outside our buildings. The Vestry's goal is to lower this year's budgeted deficit of \$31,700. In order to assist us in accomplishing this goal, please continue your excellent record so far of fulfilling your 2021 pledge commitment to Calvary Church.

Sincerely,

Bob Eley, Treasurer ■

## Calvary and Pittsburgh Penguins Partnership

Calvary Church has entered into a partnership with the Pittsburgh Penguins organization to serve our neighbors and to promote diversity and empower children and their families in our community. The Penguins have developed a seasonal ice skating rink in the Hunt Armory on Emerson Street (a block from Calvary Church). The rink will be open officially from the day after Thanksgiving through March 1.

There will be public skating available on the weekends and some hockey practices for local teams including Central Catholic and Chatham University. The highlight of the program (and the draw for me) is their Willie O'Ree Academy that will be based at the Armory. Willie O'Ree is sometimes

called the "Jackie Robinson of Hockey" and was the first black person to play in the National Hockey League. He was also blind in his right eye from being hit by a puck two years before making it to the NHL. Note: Everyone now wears much better protective equipment than players in the 1950s.

The Academy is a training and enrichment program for local children of color and their families that promotes learning to skate, team building, and a supportive social network in addition to providing coaching, equipment, transportation, and ice time all free of charge. The program will run primarily on weekday afternoons.

To help with the program, Calvary will share 25 of our 75 parking spaces on weekdays from 4 to 10 p.m. and Saturdays from 8 a.m. to 10 p.m. On Sundays, the parking will be exclusively for Calvary Church. Our lot will be used for coaches, parents, and staff. All public skaters and hockey practices will be directed to East Bond Parking on Centre Avenue. If there is a large funeral or other reason we need access to the entire parking lot, we can notify the Penguins organization that will direct all parking to East Bond for that day.

Calvary will receive \$7,500 per month for four months from November 15 through March 15. The same company that builds the rink at PPG Place is constructing the Armory rink. There is also a new, permanent flashing lighted caution sign for pedestrians to cross Shady Avenue at Alder Street at the crosswalk that was a part of the project.

Numerous public meetings, several of which were hosted at Calvary, showed the preference of the neighborhood to make the Armory into a skating rink for the community. That is finally going to happen. This is only for one winter. If the program meets the needs of the community they may seek to continue it next year.

Calvary Church is proud to partner with the Pittsburgh Penguins to promote diversity and serve our neighbors.

—Jonathon ■

## Faith Night of Ice Skating

The Pittsburgh Penguins have built a seasonal ice skating rink in the Hunt Armory on Emerson Street (a block from Calvary Church). We have organized a "Faith Night" before the rink officially opens to let everyone have a fun night out, to see old friends and make new ones, to learn about the outreach programs to local children of color centered there, and to see the Armory. The congregations invited are the Islamic Center of Pittsburgh, Calvary Episcopal Church, Sacred Heart Catholic Church of St. Jude Parish, the Ethiopian Orthodox Church of Pittsburgh, and the Tree of Life Synagogue. The Mayor, Councilperson Erika Strassburger, and the leadership of the Beloved Community Initiative have also been invited.

**Faith Night will be held from 6–9 p.m. on Tuesday, November 23 (the Tuesday before Thanksgiving).** You are warmly invited. The event and skate rental are free. Parking is available at Calvary and the East Bond parking lot on Centre Street. One is welcome to skate or simply walk around and talk and watch new skaters hold on to the wall. The Rector will be skating. Please register online to attend. See the informational flyer on the next page. ■

## E-waste Collection Report

The City of Pittsburgh used the Calvary parking lot for an e-waste collection event on Saturday, October 16, 2021. The total collected was 7,223 pounds of e-waste and 2,097 pounds of household waste. That is **4.66 tons** of waste that was recycled instead of going to landfills! Thank you to everyone who participated. ■

In the last issue of *Agape*, we announced the results of the elections that took place at the Annual Parish Meeting on Sunday, October 3, 2021. Jeannie Farina was elected to Parish Council. Her name was spelled incorrectly. Our apologies! ■

All talks will be held at 7 p.m. in the Parish Hall of Calvary Church. Admission is free and masks are required. #### Wednesday, December 1, 7 p.m.: "Liberty, the Mysterious Township"

Tom Powers and Jim Wudarczyk from the Lawrenceville Historical Society explore a short-lived Allegheny County municipality that existed only between 1864 and 1868. Liberty Township comprised part or all of today's Pittsburgh neighborhoods of Bloomfield, Friendship, Point Breeze, Regent Square, Shadyside and Squirrel Hill, and contained the homes of such eminent Pittsburghers as William Frew of Standard Oil, Robert Pitcairn, U. S. Senator William Wilkins and Andrew Carnegie, among others. ■

## Calvary Bazaar

Thank you to all who made the Calvary Bazaar a great success this year. Special thanks to Chair Kathy Farrington, the committee chairs, and all who baked, planted, priced, donated, organized and implemented the Bazaar in a challenging time.

We raised over \$25,000 to serve primarily women and children in the East End of Pittsburgh and beyond with more funds expected to come. The Bazaar was a wonderful opportunity to enjoy being together, emerging from COVID, while serving our neighbors. ■

## Plastic Recycling

Thank you to the many people who are recycling plastic film and bags to the box located in the Parish House lobby across from the reception desk. We will continue our practice of recycling here at Calvary. You are helping to keep thousands of pounds of waste out of landfills. (And, Yes, bubble wrap is recyclable!) ■

Fall has arrived! The temperatures are dropping, the leaves are changing color and the days are getting shorter. It's so much fun for our students to bundle up, head outdoors, and take wagon rides to observe the beauty of the changing seasons.

It's somewhat challenging to plan lessons and activities this time of year because there are so many amazing things we want our students to learn and experience. This school year we chose to study Native Americans, trees, and leaves. Some will construct 3 types of dwellings and make pinch pots, totem poles, and talking sticks. Others will go on nature walks around Calvary, collect twigs and acorns for sensory play, make leaf collages, and dissect pumpkins. We'll all celebrate Thanksgiving by making crafts, baking muffins, and preparing a large meal that we'll safely share before our fall break.

Our Blue Team is in the middle of their annual "Pay It Forward" kindness campaign. Money raised will be given to the Greater Pittsburgh Community Food Bank.

If you are interested in teaching or volunteering at Beginnings, please contact me. We are also happy to give tours of our school when we're not in session.

We will be closed the week of Thanksgiving.

## MUSICAL NOTES by Alan Lewis

Thanks to all the singers who have made the last couple of busy weeks possible, particularly with the Mozart Requiem and Bishop Solak's ordination falling in a single week's span!

Looking ahead, the annual service of Lessons and Carols for Advent is just ahead, on **December 5 at 5 p.m.** (Note that it falls on the Second Sunday of Advent this year, not the first.) The elegant sound of viols (a Renaissance consort-instrument, of which the *viola da gamba* is the bass) will join with voices and organ in contributing to this lovely way to enter more deeply into the season of expectation.

I want to update you on the prospects for repair to Calvary's organ, whose inner workings were severely damaged by a lightning strike in July. Several people have asked how this could happen: don't organs use air, not electricity? The answer is that yes, the sound is made by air passing through individual pipes (many, many of them – well over 7,000), but the control of that air, and the selection of which pipes are played and which aren't is communicated from the console (at floor level in the Choir) to the pipes (both high overhead and in the west gallery) through miles of copper wire, by way of computerized controllers beyond my capacity of explanation. As you may have found in home appliances, those computerized components operate on very low voltage. In a lightning event, this wire becomes a superhighway for the ultra-high-voltage discharge to sweep through those computer components, effectively destroying all in its path.

The organ is still operating at about 25% capacity, and that thanks to the admittedly unsightly cable that snakes up the wall of the Choir. A return to full operation is promised, and I am hopeful that that will be accomplished before Easter. (You've doubtless heard of pandemic-related supply-chain delays in goods-shipments, particularly for microchips, and those delays are preventing a quicker turn-around.) I am most grateful to those who have come forward to offer financial support of these very expensive repairs, and am glad to report that, in addition to such support, our insurance will be substantially helpful in underwriting the lion's share of the cost. I look forward to sharing more news – and especially to sharing the full voice of the organ with you once again, someday soon. ■

## Nourishment for New Families

Adding a new member to a family is challenging in the best circumstances, but it can be even more challenging when extended family may not be able to provide in-person support due to the pandemic or because they live out of state. In light of this, we are looking to gather names of parishioners who would be interested in periodically providing a meal for families with new children. When a family adds a new member, we will send a notice to the group of parishioners with an opportunity to sign up for a specific day to deliver a meal. We have two families expecting new babies this fall who would greatly appreciate this gift of time and nourishment. If you are interested in joining the distribution list for providing meals, or if you're anticipating adding a new family member soon, please contact Shannon O'Brien at 612.670.1082 or [shannonwarchol@gmail.com](mailto:shannonwarchol@gmail.com) ■

## Turnings

After hiatus, WOC Bazaar sales of crafts, foods, fine arts, and wares of all types generate funds for outreach distribution at or above previous years' levels. Fabrications and donations roll in, goods trade

hands, profits are distributed. Giant fluffy faux flamingo finds new home. Felicitous turnovers.

Volunteers and sextons completely transform Parish House from display and sales entity into suitable venue for Election Day polling station in one day. One quick turnaround!

In the ensuing election results, a new Mayor, in historic turnover, ushers in new era.

Drone mounted video camera aids in assessment of condition of all windows (inside and out, sacred and profane) inaccessible to physical inspection, to determine priorities for future maintenance and repair. Ah, technology! Sure beats scaffolding. As film directors cry: "Roll 'em!"; or, if you're a Brit: "Turn over."

Head Sexton T-boned while driving home in his rather substantial truck. Multiple roll-overs later he comes to rest against another truck. Air bags deploy. He walks away confused, but unscathed – as do the occupants of the other vehicle. Turn that over in your mind. Miracles do happen!

Clocks "fall back" or re-turn to "Standard" time. With all the uproar, will we see this happen another year?

Preparations predominate for ordination of The Reverend Ketlen Solak+ as next Bishop of the Episcopal Diocese of Pittsburgh: bulletin printing; silver and woodwork polishing; candle replacements; rehearsals, both musical and ceremonial; even installation of side-aisle monitors for the expected crowd at Calvary. Everything points to an historic and glorious celebration when she becomes The Right Reverend Doctor +Ketlen Solak. Her seating in Trinity Cathedral happens the following day.

Coincidentally, the publication date of this *Agape* is that same day. Positive vibes all around and it'd be nice to report how it all went, but the deadline for this article was a week ago, so ... next time.

Meanwhile, just roll with it.

### Presiding bishop officiates Colin Powell's funeral at National Cathedral

[Episcopal News Service] Presiding Bishop Michael Curry officiated at the funeral of Colin Powell, former U.S. secretary of state and general, at Washington National Cathedral on Nov. 5, in a ceremony attended by three presidents and a host of dignitaries. Powell, a lifelong Episcopalian, died on October 18 of complications from COVID-19 at age 84.

Curry was joined by Washington Bishop Mariann Edgar Budde; the Very Rev. Randolph Hollerith, dean of the cathedral; and the Rev. Joshua Walters, rector of St. John's Episcopal Church in McLean, Virginia, Powell's home parish. The Rev. Stuart Kenworthy, former interim vicar at the cathedral and longtime rector of Christ Church Georgetown in Washington, gave the sermon.

*Presiding Bishop, continued*

Powell served in the administrations of several presidents, including President Ronald Reagan, who appointed him national security adviser in 1987. He was the first African American in that role, and in 1989, he became the first Black chairman of the Joint Chiefs of Staff under President George H.W. Bush. When Bush's son George W. Bush became president in 2001, he picked Powell as his secretary of state, another first for an African American.

U.S. Presidents Joe Biden, Barack Obama and George W. Bush, as well as former Secretaries of State Hillary Clinton, Condoleezza Rice and Madeleine Albright, attended the funeral. Albright gave a eulogy, along with former Deputy Secretary of State Richard Armitage and Powell's son Michael.

"As I grew to know him, I came to view Colin Powell as a figure who almost transcended time – for his virtues were Homeric honesty, dignity, loyalty and an unshakable commitment to his calling and word," Albright said.

In a statement after Powell's death, Curry recalled meeting with Powell over breakfast a few years ago. "I give thanks for his model of integrity, faithful service to our nation and his witness to the impact of a quiet, dignified faith in public life." ■

## Episcopal Service Corps seeks applicants for 2022-23 service year

The Episcopal Church invites young leaders ages 21 to 32 interested in a transformative outreach and discernment experience to consider applying to the Episcopal Service Corps for its 2022-23 service year.

Applications open online November 15. A virtual open house (click to register) to answer questions and explain more about the process will be at 3 p.m. ET Saturday, November 13, with others to follow. It will include a chance to hear from current and former Corps members. Potential applicants can also take an online discernment quiz.

Every year, 80-100 young leaders serve more than 120,000 hours in local and community-based nonprofits and churches through the Episcopal Service Corps, helping in rural ministries, homelessness support, healthcare, immigration and refugee resettlement, housing justice, education for at-risk youth, and much more. Participants live together in community, creating and living by a household "Rule of Life," and committing to regular spiritual direction and prayer in addition to service.

"Our core values are service, prayer, justice, vocation, community, and leadership," said Wendy Johnson, manager

of the Episcopal Service Corps network for The Episcopal Church. "These values shape and inform every aspect of a service year, and they are what set us apart from other post-graduate options."

The service year structure helps guide many participants as they discern their next steps vocationally and spiritually. Many Corps members move into positions of leadership within their churches, the wider Episcopal Church, and community organizations.

Corps members receive housing, health coverage, and small stipends to cover living expenses, transportation, and food. Questions? Please contact Wendy Johnson at [www.episcopalchurch.org/staff/wendy-karr-johnson/](http://www.episcopalchurch.org/staff/wendy-karr-johnson/) ■

## East End Cooperative Ministry (EECM) 2021 Holiday “Berry” Program starts November 14

This Christmas season, Calvary has committed to helping 75 participants in EECM’s community programs. Each participant has requested three items: something they **need**, something they **want**, and a **book** or **calendar**. These requests have been coded onto the individual berries that will be posted in the Parish Hall. These gifts relieve the financial burden on many East End families at Christmas and brighten their holidays.

Calvary has been a strong supporter of this program in the past and we request your help again this year. To participate, please:

1. **Choose** one or more berries and sign them out on the corresponding sign-up sheet in the Parish Hall. The berries carry a code that identifies the gift and person. For example, FH 16 D-1 denotes the first gift for person “D” in EECM Faith Housing Program's family 16.
2. **Wrap each gift** with the berry securely taped to the **outside** (identification code showing); please include a **gift receipt** for clothing or shoes and **batteries** for any gift that requires them.
3. **Bring** each wrapped gift to the Parish Hall between **Sunday, November 28** and **1 p.m. on Sunday, December 5, 2021**. The gifts will be taken to the EECM Community House for delivery to the families on December 7.
4. In addition, we are collecting **\$25 Giant Eagle gift cards** for distribution to families that participate in the EECM Food Pantry program. Gift cards should be dropped off at the Calvary reception desk by **1 p.m. on Sunday, December 5**.
4. A few volunteers are needed to sort and bag the gifts from **noon–2 p.m. on Sunday, November 28 and Sunday, December 5**. We also need at least one volunteer to make reminder phone calls on Sunday afternoon (**December 5**), and about 4 volunteers with hatch-back cars or vans to deliver the gifts to the EECM Community House between **noon and 2 p.m. on Tuesday, December 7**.

If you have any questions or would like to volunteer,  
please contact Jay Wilson (jwwbass1@gmail.com or 412-781-9329).

**Thank you for your support of this EECM program!**

We recently received a very nice card from The East Liberty Valley Historical Society thanking us for the use of the Parish Hall for their meetings.

Dear Kim —

We want you to know how much The East Liberty Valley Historical Society appreciates being at Calvary's Parish Hall for our lectures. It's the perfect venue — great location and parking in an excellent facility in a historic building. It's a dream come true for us and I think also for the many East Enders who come to the talks. Adam was helpful and gracious too — he set up seating for 50 and 42 came for the first event. I'm enclosing Jan Kurth's article about it in Print.

Please join us sometime if you can..

with gratitude —

EAST END  
COOPERATIVE  
MINISTRY

opportunity. transformation. hope.

October 19, 2021

Rev. Jonathan W. Jensen  
Calvary Episcopal Church  
315 Shady Ave.  
Pittsburgh, PA 15206-4388

Dear Rev. Jensen:

**Thank you for your gift of \$1,285.43 on 10/15/2021 to East End Cooperative Ministry.** Your gift shows that you share our vision *to change the lives of people facing the impacts of poverty*. Congregational support is what made EECM possible in the beginning, and we are so thankful that the support of faith communities continues to be so robust.

For over 50 years, East End Cooperative Ministry has been a community leader in confronting the challenges of poverty faced by our area's most at-risk, disadvantaged, and underserved populations. The impacts of our multi-faceted services included the following in 2020:

- During the year of COVID, EECM served more than 70,000 meals onsite to the community and program residents as opposed to 43,000 in a non-COVID year.
- Distributing more than 600,000 pounds of fresh fruits and vegetables to our food insecure up from 350,000 prior to COVID.
- Helping over 1,000 children and youth excel in school and expand their civic and social engagement skills through an online platform during COVID.
- Continuing to provide more than 14,000 bed nights to those who are homeless or in recovery and keeping all of our customers, staff, and volunteers safe throughout the year.

EECM began in the East End over 50 years ago, and with your help, we have been able to expand across the city of Pittsburgh. It's an exciting time to be a Pittsburgher, but not all can share in this excitement. Your gift ensures that everyone has the opportunity for education, employment, and a home. EECM is here to make sure that Pittsburgh's newfound prosperity is inclusive, not exclusive. We are truly thankful for you, as your gift makes all of this possible.

Sincerely,

Carole Bailey  
President & CEO

Dear Friends,

During this past academic year, students of The Neighborhood Academy have persevered through academic tests that assess their skills and knowledge. They have also faced tough tests in their personal lives, which assess their resiliency and ability to thrive in adverse situations.

The Neighborhood Academy, a college-preparatory school whose mission is to *break the cycle of generational poverty by empowering youth and preparing them for college and citizenship*, recognizes that this year, our students have fought for their futures.

Research shows that **more than half-a-million US students are dropping out of college**, leaving their economic futures in question. Numerous reasons explain this finding: prioritizing employment, lack of technology, unpaid enrollment fees resulting in holds on their accounts, and caring for ill parents or children.

Current job trends also show that ongoing job creation will be concentrated in high-wage fields, such as healthcare, engineering, mathematics, science, and technology.

Throughout our Summer Session, we focused on combatting learning loss due to COVID-19 to ensure that our students stay on track. **Providing a pathway to college is our priority, and we cannot allow our students' lives to be diverted**, risking their ability to access fulfilling careers that provide long-term security.

Your gift of \$1,000.00 provides our students with a high-quality, supportive educational environment, designed for their future success. Thank you again for your belief in our mission and students.

Sincerely,

Dr. Anthony Williams  
Head of School

*Thank you for your ongoing  
belief in our mission and  
our students.*
